RE: Letter of Reference for System Tech

The Ada County Highway District Traffic Operations Division has used System Tech on several outside fiber optic cable installation projects the past two years. System Tech has installed, spliced, terminated and tested the fiber on these projects.

System Tech has done an excellent job on these projects and ACHD would highly recommend them for future work.

If you have any questions regarding System Tech's work on our projects please call me at 208-387-6196.

Sincerely,

Jim Larsen
Traffic Operations Engineer
