Dear Jamie:

On behalf of all of us at Hollingshead Eye Center, I would like to thank you for being so quick to respond to our personal communication needs. Since the purchase of the NEC system, you and your staff have been willing and able to make our communication system a workable tool.

Hollingshead Eye Center uses the latest in eye care technology and state-of-the-art equipment to serve our clients needs. It is a pleasure to work with a company like System Tec/Data Com who has the same goal.

We look forward to continuing our enjoyable partnership.

Sincerely,

Sandie Felice
